Helping friends

EXPRESSION OF INTEREST FOR OUR SCHOOL’S PA

Blacky Lake’s Parent’s Association meets every one or two months, with meeting times set out in the school newsletter. Any parents or carers are welcome to attend these meetings.

We appreciate however that some parents find attending meetings hard to commit to, when juggling work and/or looking after kids.

That’s why we’ve established a register of Helping Friends who have expressed interest in helping out now and then. We will then email you when the events you are interested in come up.

The suggestions below are a mixture of events we run during the school week, as well as the weekend, so everyone – mums, dads, grandparents - can get involved.

Does this sound like your family? If so, please complete this form and drop it in the PA mailbox in the school foyer.

I’d like to:

- Help at Icypole Fridays one lunchtime in terms 1 or 4
- Help collar school banking money one Wednesday morning a month
- Help sell icypoles and snacks on a Monday at lunchtime once or twice during the year
- Help at a monthly ‘special food day’ lunch e.g. sushi, sausage sizzle, hot dog day and footy pies
- Help at the Mothers’ Day Stall one morning in May
- Volunteer for a two hour shift at a sausage sizzle during the year, usually on weekends
- Help sell tickets for an event
- Help out at one Milo Friday morning in July or August
- Pack chocolates for the Chocolate Drive mid year (can be after hours)
- Help at the Fathers’ Day stall in September
- Help out at our Election Day stall at the school on Saturday, 14 September
- Help out at the Christmas Stall one morning in December
- I’m happy to help at weekend events, just tell me when & where
- I have a skill that could help the PA and the school (e.g. building, marketing, fundraising, organising, photography, landscaping, painting, plumbing, electricals, etc.)
- I have organised an event or fundraiser before and I’d like to do it again for BLPS
- Come along to a PA meeting
- Find out more about coordinating an event for the PA
- Be on your email list of ‘helping friends’ to be contacted when help is needed
