**Instrumental Recruitment Night 2013**

We are excited to announce that we are holding a Music Recruitment Night on Tuesday 12th February from 6.30-7.30pm in the library. This is an opportunity to come and hear about what is happening with Music in 2013. There will be demonstrations on the instruments by the teachers and opportunity for students to hold the instruments.

I will be introducing all the instrumental teachers and giving parents the opportunity to ‘sign up’ for lessons in 2013. Parents will be given a booklet on the night outlining everything we have to offer and how you can become involved.

The instruments we are offering in 2013 include: Piano, Guitar (acoustic & electric), bass guitar, voice, Percussion (including drum kit and African djembe), trumpet, cornet, trombone, euphonium, saxophone, clarinet, flute, French horn, violin, viola and cello.

The Ensembles we will be offering in 2013 include: Middle school Choir, Senior Choir, Concert Band, Percussion Ensemble, Marimba Ensemble and String Ensemble. ALL students that learn an instrument at school or outside of school will be invited to join an ensemble (or 2!).

I encourage the BLPS school community to come and have a look with your children at what we are offering. There is no obligation to sign up, but there will be many experienced teachers attending to answer any question that you have.

Thanks for your support.
