## JASON'S JOURNAL – The Principal's Message

Welcome to Term Four. During the holidays I enjoyed quality family time - as well as visiting the theme parks of Queensland and a - highlight celebrating my footy team's second successive AFL Grand Final. Despite not being the team expected to win on the day, the Hawks again made me proud as the players had a positive attitude and showed amazing determination: *"We're a happy team at Hawthorn, We're the mighty fighting hawks. We love our club and we play to win, Riding the bumps with a grin at Hawthorn..."*

As we enter the final term for 2014 I encourage everyone to enact our TRRAC values (*Thinking, Respect, Responsibility, Attitude and Caring*) and be persistent to reach your best, which might take the form of:

- Continuing to try even when schoolwork is hard
- Not being distracted by others
- Checking work when you are finished to make sure it's correct
- Completing work (and homework) on time.

### CELEBRATING 50 YEARS

With "Blacky Lake Primary" celebrating its 50th anniversary this year, this term children across the school are investigating the unit *Celebrations* – please see grade specific *Parent Planners* (to be sent home tomorrow) for more details.

We have already acknowledged our "birthday" with a special *Come And Explore From 1964* treasure hunt through the school during Education Week, and commemorative seedstick bookmarks also distributed during Book Week, and a 50th pavers path laid.

Later this term we have a number of celebrations for our current and former community members:

- Monday 1st December (1:00 - 3:30): a "party" for the current students
- Friday 5th December (1:00 - 3:30): *Back to School* - inviting past students and staff to attend the school and special assembly
- Friday 5th December (7:00 - 10:00): *Back to 1964 Dinner Dance* at Box Hill Town Hall for former staff, students and families. To ensure you don't miss out on this event – with limited seating available, bookings can be made online @ [www.trybooking.com/GAQQ](http://www.trybooking.com/GAQQ), with a cost of \$64 per head to cover the costs of this celebration (Read below for more details).

Another celebration - please check our Diary Dates below and add these important events to your home calendars - is our biennial Christmas Carols, scheduled for Thursday 11<sup>th</sup> December.

### CLASS VISIT – 5/6T

With the whole school immersed this term in the topic of *Celebrations* the text type that complements this investigation is information reports.

In joining Kathryn Taylor and the children of 5/6T this Tuesday, they were watching a report on the interactive whiteboard about the dangers of inactivity - <http://www.jump-in.com.au/show/60minutes/stories/2014/september/stand-up-australia/> - and as a result deciding to work for the day standing rather than sitting! This is an example of the "student voice" that happens in our classrooms where

the children get to have a say in their school.

The children investigated a number of current events from a variety of mediums (for example an episode of ABC's *Behind The News* as well as articles from the *Herald-Sun* newspaper). Whilst being given a choice about what order to complete their work, the children all completed a "scanning grid" – first together as a class and then individually, building upon the skills of "scan and skim" to extract information from the reports: Who, When, Where, What and How? I found the student's knowledge about a "walk to school" article remarkable – of course, this news is very relevant to the children, with their ability to link the text to their real-life experiences, and then make inferences from the text (as one girl said "to read between the lines").

I congratulate the children for showing me the high standard of work that they produce each and every day, and also for showing us why the teachers are able to trust and plan a flexible curriculum with some "student choice."

I thank Kathryn and all the school's teachers for creating engaging learning environments where the children are valued and supported in their learning.

### **SUNSMART**

A reminder that as part of our *SunSmart* policy, it is compulsory for all children to wear a hat when outdoors in term 4. If you have misplaced your child's hat, broad-brimmed protection is available through our Uniform Shop (as any children without a hat will be required to sit in the designated shaded gazebo during recess and lunch breaks).

### **PLANNING FOR 2015**

As we begin the final term for 2014 we also begin careful planning for the 2015 school year, including class structures and teaching arrangements. If you have any concerns regarding the placement of your child next year based on educational grounds, you may put these in writing and forward them to me by Friday 31<sup>st</sup> October - using the proforma that is available on the [www.blps.vic.edu.au](http://www.blps.vic.edu.au) homepage.

Please note also that requests for a particular teacher will not be acknowledged, as the educational needs of all children in the school must be considered and teacher movement across teaching teams is common practice at BLPS. This practice is a key component of building staff energy, collaboration and pedagogical knowledge.

Determining class placements is a complex task and staff members undertake a considerable process to ensure that the best possible placement is made to meet each student's educational needs. Factors that we take into consideration when making class placements include: academic achievement, personal/interpersonal development, friendship groups, gender balance and other individual needs. It is important to understand that with so many factors to consider it is not possible to accommodate every request.

### **STAFFING**

We welcome back Bec Williams-Phillips to the school's staff after taking a year's Maternity Leave, and too Jacinta Gibson (3J) and Shari Lo Presti (4S) following leave last term.

Whilst welcoming Deakin University student-teacher Sue Lawson back to BLPS (and 1L) for her final 3 week placement, tomorrow we farewell Prue Ainsworth who has worked with Kym Morgan and the students of 5/6K (and indeed developed strong relationships with staff, parents and students across the whole school). I thank the school's staff for their ongoing work in developing the abilities of the children in their care, as well as sharing their professional expertise with one another (including those mentoring teachers in training).

I hope to see you all at tomorrow's whole School Assembly @ 3pm to acknowledge our '*Students of the Week*'

Regards, **Jason Walker - Principal** [walker.jason.r@edumail.vic.gov.au](mailto:walker.jason.r@edumail.vic.gov.au)

## ICE THE PRINCIPAL – THAT’S YOU JASON

### BLPS ICE BUCKET CHALLENGE FRIDAY 17<sup>TH</sup> OCTOBER - School Assembly

YES.....believe it or not.....Jason has accepted the challenge to be "ICED" at next week's school assembly.

BLPS is jumping on board the huge worldwide craze to raise money and awareness for MOTOR NEURONE DISEASE VIC (MND). We ask that all students bring along a gold coin donation on Friday 17<sup>th</sup> Oct.

**Every \$2 raised = 1 ice block!!!** The more \$\$\$ the more ICE! Sorry Jason! Jason will in turn nominate 3 or more people to take on the challenge i.e: Other school principals.

*A Representative from MND will be present to witness the 'ICING of Jason'.*

ICY POLES will be sold during lunchtime on the 'Day of the ICING' to raise further funds for MND.

## MAGICAL MUSIC NOTES

We have a very busy term with musical events. Keep reading to keep up with the activities that we will be getting up to this term, and how you can be involved.

### Classroom Spotlight

Grade 5/6 "Celebrates"

To coincide with our Anniversary Celebrations the Grade 5/6 students are currently investigating bands of the 1960's. Part of their presentation is to dress up as their chosen band. Please support them with assisting them in sourcing some suitable items from your wardrobe.

### Music Count Us In

Music Count Us In is coming up quickly. On Thursday the 30<sup>th</sup> of October (4 weeks away) we will sing the song "Paint You a Song" with the nation. There are currently 1,902 schools around Australia who have registered to be part of this amazing event to promote music in schools. I would like to encourage you to learn the song as well. The recording and lyric sheet will be available on the internet home page for you to download.

The String ensemble, Marimba ensemble and some individual instrumental students are also preparing to play with us as we sing. If anyone is interested in playing their instrument as part of this event, please see me for a copy of the music.

### Ensemble News

#### String Stars

The StringStars have begun to work on some new repertoire and will be doing a concert in a few weeks for the local retirement village. Stay tuned for more information.

#### Marimba Group

Great to see some new faces this week at ensemble rehearsals. We are currently preparing parts to play with Paint You a Song on the 30<sup>th</sup> October. Please remember to come on Mondays at lunch-time. We would love to see anyone else who would like to join us.

#### Choir

Choir will be on again next Tuesday. Please feel free to come along.

Grade 2 & 3 choir meets at lunch-time

Grade 4 – 6 choir meets at 2.30 – 3.30

On Tuesday 21<sup>st</sup> October, the Choir will be having an open session from 2.30pm in the DJC to give your parents an opportunity to see what happens at our rehearsals, and what we are currently working on. Come along to watch the fun. You can join in if you would like to have a go.

## Music Musings

I found an article on the internet over the holidays about the benefits of learning a musical instrument. I will be putting a couple of points in the newsletter each week. Hope you find it interesting.

### ***Benefits of Learning an Instrument***

#### **1. It improves academic skills.**

Music and math are highly intertwined. By understanding beat, rhythm, and scales, children are learning how to divide, create fractions, and recognize patterns. It seems that music wires a child's brain to help him better understand other areas of math

#### **2. It develops physical skills.**

Certain instruments, such as percussion, help children develop coordination and motor skills; they require movement of the hands, arms, and feet. String and keyboard instruments, like the violin and piano, demand different actions from your right and left hands simultaneously

*"Music is ... A higher revelation than all Wisdom & Philosophy"*

- Ludwig van Beethoven

## From the Art Room

The Reflective Garden is well on the way. This Wednesday you may have caught a glimpse of it laid out on the ground as we gauged the progress of the project. It has now been marked out and digging holes for seating and poles will be one of the next steps.

Your help is needed with the monumental task of grouting all these wonderful pavers and other mosaic work which takes many man hours to complete. So if you have a spare moment to drop by you would be most welcome.

See you soon

Johanna, Visual Art Coordinator

## ITALIAN

The theme this term across all grades will be "Celebrations" complementing the 50<sup>th</sup> Anniversary of the school. In Italian students in foundation years (Prep) will be studying the story book "Zuccherio Filato and Christmas". Level 1 and 2 will be studying birthdays, Christmas and Easter Celebrations. The seniors level 3 and 4 (Grades 5 & 6) will be studying Carnevale.

## DANCE CLUB

The Physical Culture State Championships are being held over the next two Sundays. The girls will compete against all other Victorian clubs. They have been practicing very hard for the last few months and we wish them all the best and hope they have a lot fun.

Kathryn

## SUPER SPORTS REPORT

### Division Athletics

Well done to our students who competed at the Division Trials yesterday at Bill Sewart Reserve. Everyone performed very well. Special mention goes to Josh H (2<sup>nd</sup> in the 1500), Daniel C (2<sup>nd</sup> in the discus) Caitlin A (3<sup>rd</sup> in the 1500) and our 10 year girls relay team (Maddy B, Madi S, Lily H, Naomi A), who also finished 3<sup>rd</sup>. Josh and Daniel will now compete next Thursday in the Eastern Metropolitan Championships. Good luck!!

### District Volleyball Final

Our girl's volleyball team will be playing Roberts McCubbin PS this Friday at school. This match will decide the District premiers. The game will be beginning around 9.15am. Good luck girls!!

### Hooptime

Our Junior All Stars team will be taking part in the Regional Finals next Wednesday, Oct 15 at Maroondah Stadium. If you are playing please return your permission form and money to school by tomorrow please.

The following Wednesday, October 22, our Senior All Star Boys and All Star Girls will be competing at Maroondah as well. The necessary information will be coming home in the next couple of days.

### Sofcrosse

Our district round robin for sofrocrosse will be held on Friday, November 14 at Kingswood College. Those children taking part will be announced very soon.

Phil Lumsden      Sports Coordinator

## Update on our 50year celebrations

Do you know anyone who was once a student or teacher at Blackburn Lake Primary School? If so, **invite them 'Back to School' for a school tour and afternoon tea on Friday 5<sup>th</sup> December (1pm – 3.30pm). Contact the school office for bookings.**

Did you know that BLPS lost its entire archives in a fire during the late 1990s? As a result **we are hunting for any old school memorabilia that our community may have and is happy to share with us...** Old photos, uniforms, artworks, school notices, it doesn't matter what it is – we would love to see it.

Finally, planning for our "Back to 1964 Ball" is well underway. **Ticket prices have been set at \$64/per person (Jason humour) or \$128 per couple.** This price includes a 3 course meal, live music and a welcome drink on arrival. **We'll be taking bookings soon, so watch this space for more info...**

Keen to get involved planning and delivering the 50 year activities? Call Wendy on 0407 797 774 or email [milnershouse03@gmail.com](mailto:milnershouse03@gmail.com).

The poster features a circular seal in the top right corner that reads "BLACKBURN LAKE Primary School celebrating 50 YEARS 1964-2014". The main text reads "Blackburn Lake Primary School welcomes back former students, teachers & families as part of our 50<sup>th</sup> anniversary on Friday 5<sup>th</sup> December from 1-3:30pm for a school tour & afternoon tea see school office for details". A large graphic of the number "50" is formed by a group of children in red uniforms. At the bottom left, a leaf graphic contains the text "growing together...".

**SCHOOL BANKING - Every WEDNESDAY is School Banking Day**

### ACHIEVEMENT CERTIFICATES

As a school banker you will receive a Dollarmite Achievement Certificate when you reach 10, 20 and 30 deposits in the year. Congratulations to the following school bankers for receiving their certificates this week:

SILVER Certificate for making 20 deposits: Cooper G

BRONZE Certificate for making 10 deposits: Jovi W

Your certificates will be passed to you through your classroom teacher.

## REWARD ITEMS

For every deposit you make, you earn 1 Dollarmite token. When you have saved 10 tokens, you may redeem them for one of the following rewards:

- **\*\*NEW\*\*** Projector Cup
- **\*\*NEW\*\*** Sea Streamers
- Swimming bag
- Money tin
- Handball
- Set of 4 scented pencils
- Whale Shark pencil case
- Light blue wallet - 2013 item
- Knuckles game - 2013 item
- Headphones - 2013 item
- Pat, Pru or Spen money box – 2013 item (please specify).`

□

Please remember that no pooling of tokens is allowed between siblings (or friends!) as we are trying to encourage every child to save regularly to earn their reward.

Thanks everyone for supporting the School Banking Program.

Regards, Vickie Liew, School Banking Coordinator M: ☎ 0419 773 335

**This October is Walk to School Month where students are encouraged to walk to school in order to promote healthy habits, reduce traffic congestion and help the environment. Each week of October, prizes will be handed out to the classes who record the most kids walking to school. Also, on one random day of October, everyone walking to school will go into a raffle to win a special prize.**

***So take advantage of this warm Spring weather, put your walking shoes on to support Walk to School Month.***
