

EXCURSION & INCURSION POLICY

BLACKBURN LAKE PRIMARY SCHOOL

Florence Street Blackburn 3130

RATIONALE

- An excursion is defined as any school activity beyond the school grounds.
- An incursion is defined as an activity run by an external provider within the school grounds.

Excursions and incursions are seen as an integral part of the school curriculum at Blackburn Lake Primary School, as they enable students to explore, extend and enrich their learning and their social skills development. Excursions and incursions complement, and are an important aspect of the educational programs offered at the school.

AIMS

- To reinforce, complement and extend the learning opportunities beyond the classroom;
- To develop an understanding that learning is not limited to teaching provided by the school, and that valuable and powerful learning takes place outside of the school in the real world;
- To further develop social skills such as cooperation, tolerance, communication, individual and group interaction;
- To further develop problem solving and life survival skills;
- To extend understanding of their physical and cultural environment;

IMPLEMENTATION

- All excursions and incursions must be approved by the Principal or their nominee(s)
- Appropriate staff to student ratios must be determined for each activity (Appendix A)
- Staff wishing to organize an *excursion* must complete an excursion proposal form and lodge this for approval (Appendix B). All excursions must be approved prior to running.
- The Principal or nominee(s) will ensure that all excursions, transport arrangements, emergency procedures and staffing comply with Department of Education (DET) guidelines. Refer to: [DET Excursion Policy](#)
- Once the excursion has been approved all relevant documentation must be completed. This is available from the Principal or nominee(s). The Principal or their nominee will ensure that full records are maintained regarding the excursion or incursion.
- The Principal or nominee(s) will complete the 'Notification of School Activity' at: www.eduweb.vic.gov.au/forms/school/sal/enteractivity.asp three weeks prior to the excursion departure date, and ensure relevant details are entered on the daily planner.

- The organising teachers will ensure that adequate pre-excursion planning and preparation, including the preparation of students, takes place. (See Excursion Planning Policy)
- Satisfactory arrangements will be made to provide continuous instruction for the students remaining at the school during the absence of staff accompanying an excursion who would otherwise be teaching these students.
- DET will not be involved in any expense associated with the conduct of excursions or incursions. The school may choose to subsidise some excursions or some students' expenses.
- Only children who have displayed sensible, reliable behaviour at school will be invited to participate in excursions and incursions. Parents will be notified if their child is in danger of losing the privilege to participate due to poor behaviour at school. The decision to exclude a student will be made by the Principal, Assistant Principal, in consultation with the organizing teacher. Both the parent and the student will be informed of this decision prior to the excursion or incursion.
- If a child presents as unwell on the day of an excursion or camp the school will reserve the right to refuse participation in the extracurricular activity unless a medical certificate states that they are fit to participate in the activity.
- All prescribed and non prescribed medications to be taken by students on excursions or camps, needs to be submitted to the school's designated first aid officer at least 24 hours prior to the activity with all of the appropriate documentation. (Medical Authority Form)

- Parents/carers will be made aware that DET does not provide student accident cover for incursions at the start of the year on a blanket permission form.

Arrangements for payments

- All efforts will be made not to exclude students from excursions or incursions for financial reasons. Parents experiencing financial difficulty who wish for their children to attend an excursion or incursion, are invited to discuss alternative arrangements with the Principal or other nominated staff members. Decisions relating to alternative payment arrangements will be made by the Principal in consultation with the appropriate staff, on an individual basis.
- All families will be given sufficient time to make payments for excursions and incursions.

Parents will be provided with permission forms and excursion information clearly stating payment finalization dates. Children whose payment have not been finalized at least 24 hours prior to the departure date will not be allowed to attend unless alternative payment arrangements have been organized with the Principal or other nominated staff member.

In extreme cases, the excursion staff, following consultation with, and the approval of, the Principal or their nominee, may determine that a student should return home during an excursion. In such circumstances, the parent/carer will be advised:
 - of the circumstance associated with the decision to send the student home
 - of the time when the parents/carers may collect their child from the excursion
 - of the anticipated time that the student will arrive home
 - of any costs associated with the student's return which will be the responsibility of the parents/carers
- The emergency management process of the school will extend to and incorporate all excursions and incursions. The school's emergency procedures do include the effects of an emergency on student supervision in the event of excursion staff being required to assist injured students or to go for help.

All excursion staff and, where appropriate, the students will be familiar with the specific procedures for dealing with emergencies on each excursion.
